**REMARKS**

The foregoing amendment to Claims 9 and 11 clarifies that the portable terminal has a second display area which displays authentication information which specifically identifies the information providing server. Although it is contended that the prior claim language recited this feature of the invention, the amendment was made to further clarify this feature.

The foregoing is submitted as a complete response to the Office Action identified above. This application should now be in condition for allowance, and the Applicant solicits a notice to that effect. If there are any issues that can be addressed via telephone, the Examiner is asked to contact the undersigned at 404.685.6799.

Respectfully submitted,
